

The Harbor Vision

“God is able to do immeasurably more than all we could ever ask or imagine, according to his power that is at work within us, Ephesians 3:20 (NIV)”

As a result of being involved within the ministry of the Harbor, the community will see deep spiritual, eternal, and life transformation take place in countless lives.

The Masses

Just as Jesus reached masses through large events, the Harbor will reach masses through times of ministry such as providing physical services to those in needs through food, clothing, and basic needs. Those are “TOUCHPOINTS” in the vision of the Harbor, to relationally and spiritually connect with those involved with the Harbor by providing love and physical nourishment further open avenues for spiritual and eternal growth and transformation.

The Fellowship

As one makes a decision to follow Christ and then begins their life journey to spiritual grow and follow Him, as in scripture they become family as part of the Fellowship of Believers (Acts 2:42-47). Jesus spent time with His fellowship, as does the Harbor through times of worship services, serving, bible studies, teaching times, and fellowship times.

Transformation, Discipleship, Ownership, Ministry Training and Serving, and Life Transition

Jesus spent the vast majority of his time with 12 Disciples, radically equipping and empowering them to live powerful lives as Disciples, readying them for His commissioning of ministry, and walking and living as He did! This responsibility-filled discipleship and transformation occurred through grace-filled biblical training and accountability, and empowerment of ownership within the ministry.

The “Inner Circle” Discipleship and Ministry Commissioning

Just as Jesus’ inner circle of Peter, James, and John led out to lead in the continuing and powerful ministry of Christ, so to will many through the transformation and leadership development vision of the Harbor. These will be Christ-followers who have completed extensive training, have a transforming track record in faith and life for a minimum of three years, and their life is showing a personal fruit-bearing ministry leading others to Christ and transforming and discipling lives around them.
